

## Morris Architecture, LLC

(843) 577-8010  
morrisarchitecturellc.com

**Project Location:** Downtown Charleston

**Builder:** Mitchell Construction Company, Inc.

**Photographer:** © Julia Lynn/  
Julia Lynn Photography LLC

**Square Footage:** 1,400 sq. ft. per unit @ two units  
(main house), 2,000 sq. ft. (carriage house)

**Beds/Baths:** 2 bedrooms, 2 baths (per unit in the main  
house), 2 bedrooms, 2 1/2 baths (carriage house)

---

This project was a full renovation of the existing 1854 structure that made up the wooden Greek Revival main house and its brick carriage house behind. Every step was painfully taken to renovate all parts of the home. For example, the original shutters—after 160 years of paint and abuse—were taken off the main house, stripped of paint and hardware, and mended before they were reattached to the facade.
